

# Trio Ternura - Fases do Amor

Tom: Bb

Sei que não foi nada  
Do que a gente imaginou  
A gente mal se conheceu, casou  
Tentando pular as fases do amor

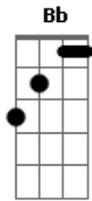

Sim, eu vou embora  
Mas nada de se magoar, não...  
Pra não ter fim teve que separar

Estranho, me sinto agora bem mais perto de você

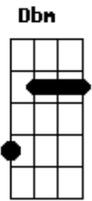

Tudo o que eu quero te dizer, mesmo de longe  
É que meu amor ainda cresce e me consome  
Tudo o que eu quero te dizer...  
Amo você

Tudo o que eu quero te dizer, mesmo de longe  
É que meu amor ainda cresce e me consome  
Tudo o que eu quero te dizer...  
Amo você
