**E7M** **Dbm**

**D#sus4** **Eb**  
 Dreaming of a million dollars

**Ab** **Gb**  
 The dreams are torn  
**Db7**  
 The game is over for you  
**Ab** **Gb**  
 All things have changed  
**Db7**  
 But what comes next?

**Bbm** **Aaug**  
 All illusions have disappeared  
**Db** **Gb**  
 But we have to live on for another forty years  
**Ab** **Gb**  
 Left alone, on your own  
**Bbm**  
 Do you fear my dear...  
**B**  
 Who's going to work for you  
**G#sus4** **Ab**  
 For the rest of your life

**Abm**

Imagine what you've done for us  
**B**  
 And what you get instead  
**E7M** **Dbm**  
 Spend the days with good-time girls  
**Ddim7** **D#sus4** **Eb**  
 And you talking all our bread

**Ab** **Gb**  
 The dreams are torn  
**Db7**  
 The game is over for you  
**Ab** **Gb**  
 All things have changed  
**Db7**  
 But what comes next?

**Bbm** **Aaug**  
 All illusions have disappeared  
**Db** **Gb**  
 But we have to live on for another forty years

**Ab** **Gb**  
 Left alone, on your own  
**Bbm**  
 Do you fear my dear...  
**B**  
 Who's going to work for you  
**G#sus4** **Ab**  
 For the rest of your life

**D#sus4** **Eb** **Db** **Fm** **Bb7** **Ab**
