

Trivium - Until The World Goes Cold

tom:

Bm

Bm
As I climb through dirt and mud

I'm sinking under

In a grave of life that was

Em
I saw a light

G
I turned my back on everything

I search for half-remembered dreams
Bm **A**
(Pulling me down with you)

Em **G**
Above my head, they're circling

Bm
The vultures want what's left of me

A
I sacrificed it all and I will fight

Em **G** **Bm**
Until the world goes cold

A
This battle's burned all that I've known

Em **G** **Bm**
Until the world goes cold

A
Nothing will keep me from this throne, I'll fight

Bm
Until the world goes cold

Until the world goes cold

Bm
As I build my house of bones

You're sinking under

For all your sins, you will atone

Em
I burned it down

G
I turned my back on everything

Bm
I search for half-remembered dreams

Bm **A** **Em**
(Pulling me down with you)

Em **G**
Above my head, they're circling

Bm
The vultures want what's left of me

A
I sacrificed it all and I will fight

Em **G** **Bm**
Until the world goes cold

A
This battle's burned all that I've known

Em **G** **Bm**
Until the world goes cold

A
Nothing will keep me from this throne, I'll fight

Em
Until the world goes cold

G **Bm**
This battle has burned all

A
I'll fight forevermore
