

Kathy Troccoli - Stubborn Love

tom:

Intro: Bm G Bm G

[Primeira Parte]

Caught again. your faithless friend
Don't you ever tired of hearing
What a fool I've been?
Guess I should pray
But what can I say?
Oh, it hurts to know the hundred times
I've caused you pain
The "forgive me" sounds so empty
When I never change
Yet you stay and say, "I love you still"
Forgiving me time and time again

[Refrão]

It's your stubborn love
That never let's go of me
I don't understand how you can stay
Perfect love embracing the worst in me
How I long for your stubborn love

[Segunda Parte]

Funny me
Just couldn't see
Even long before I knew you
You were loving me

Sometimes I cry
You must cry, too
When you see the broken promises
I've made to you
I keep saying that I'll trust you
Though I seldom do
Yet you stay and say you love me still
Knowing someday I'll be like you

[Refrão]

It's your stubborn love
That never let's go of me
I don't understand how you can stay
Perfect love embracing the worst in me
How I long for your stubborn love

Perfect love embracing the worst in me
And you never let me go
I believe I finally know
I can't live without your stubborn love!
