

# Trolls (Original Motion Picture Soundtrack) - Trolls Wanna Have Good Times

tom:

Hey hey

Woke up in the morning light

Today is the day that I do everything right

Now that I'm Queen, I've got a kingdom to run

'Cause Trolls, they wanna have fun

Yeah, Trolls just wanna have fun

They just wanna, they just wanna

They just wanna (hey)

Trolls just wanna have fun

## Acordes
