<sup>Cm</sup>  
I keep my days open for sleeping in  
I'll keep my days open for sleeping in  
<sup>Cm</sup> <sup>Ab</sup>  
A late night phone call  
<sup>Bb</sup> <sup>Cm</sup>  
From someone you don't miss  
You keep them alive with simple small talk shit  
<sup>Ab</sup> <sup>Bb</sup> <sup>Cm</sup>  
Uncomfortably honest, and honestly lonely  
<sup>Ab</sup>  
Got somewhere to be  
<sup>Eb</sup> <sup>F</sup>  
Hey man, don't worry about me  
<sup>Eb</sup>  
The city stopped moving  
<sup>F</sup>  
I'm alone with my secrets  
<sup>Eb</sup>  
I could probably hang myself with the curtains

<sup>Ab</sup>  
This is the portrait of a man  
<sup>Eb</sup>  
More than coffee in his hand  
<sup>Ab</sup>  
<sup>Eb</sup>  
Front row seats to old repeats, of a highlight reel for years, yeah  
<sup>Ab</sup>  
And all the things I never said  
<sup>Eb</sup>  
I'm doing circles in my head  
<sup>Ab</sup>  
I'm counting sheep, with no relief  
<sup>Cm</sup>  
Just another night alone, yeah  
( <sup>Cm</sup> <sup>Ab</sup> <sup>Cm</sup> <sup>Ab</sup> )

<sup>F</sup> <sup>C</sup>  
I'll wait by your driveway in case you change your mind  
<sup>Cm</sup> <sup>Bb</sup> <sup>Eb</sup>  
We can keep drinking 'til it feels alright  
<sup>Ab</sup> <sup>F</sup>  
You know we don't have to talk, we could just be alive  
<sup>Eb</sup> <sup>Ab</sup>  
Please don't let me leave on my own tonight
