

Troye Sivan - Animal

Tom: G

I told you something safe
 Something I've never said before
 And I, I, I can't keep my hands off you
 While you lie in the wake
 Covered all in the night before
 I'm high, high, high, no one's got me quite like you

G
 I want you all to myself
 Don't leave none for nobody else
 I am an animal with you
 No angels could beckon me back
 And it's hotter than hell where I'm at
 I am an animal with you

An ode to the boy I love
 Boy, I'll die to care for you
 You're mine, mine, mine, tell me to who do I owe that to?
 And as the days fly by
 We'll be more than getting through, yeah
 And in time, time, time, we'll build a home for two

G
 I want you all to myself

Don't leave none for nobody else
 I am an animal with you
 No angels could beckon me back
 And it's hotter than hell where I'm at
 I am an animal with you

All is right in the meadow
 When I'm lying next to my fellow
 Baby, that's you
 Baby, that's
 Baby, that's you
 One way trip like an arrow
 All laid out like a tarot
 Baby, that's you
 Baby, that's
 Baby, that's you, you-you

G
 I want you all to myself
 Don't leave none for nobody else
 I am an animal with you
 No angels could beckon me back
 And it's hotter than hell where I'm at
 I am an animal with you
 I am an animal with you
