Intro: **C D Bm Am**

Verso 1:

I am **C** tired of this place, I hope **D** people change  
I need **Bm** time to replace what I gave away **Am**  
And my **C** hopes, they are high, I must **D** keep them small  
Though I **Bm** try to resist I still **Am** want it all

Pre Refrão:

I see **C** swimming pools and living rooms and aeroplanes **D**  
I see **Bm** a little house on the hill and children's names **Am**  
I see **C** quiet nights poured over ice and Tanqueray **D**  
But everything **Bm** is shattering and it's **Am** my mistake

Refrão:

Only fools **C** fall for you, only fools **D** fall  
Only fools **Bm** do what I do, only fools **Am** fall  
Only fools **C** fall for you, only fools **D** fall  
Only fools **Bm** do what I do, only fools **Am** fall

( **C D Bm Am** )

Verso 2:

Oh, our lives **C** don't collide, I'm aware of this **D**  
The differences **Bm** and impulses and your obsession with **Am**  
**C** **D**

The little things you like stick, and I like aerosol  
Don't give a **Bm** fuck, not giving up, I still **Am** want it all

Refrão:

Only fools **C** fall for you, only fools **D** fall  
Only fools **Bm** do what I do, only fools **Am** fall
