

Troye Sivan - For Him

Tom: C

[Intro]

F C G Am
F C G Am

[Verse 1: Troye Sivan]

We are runnin' so fast
And we never look back
And whatever I lack, you make up
We make a really good team
And though not everyone sees
We got this crazy chemistry
Between us

[Verse 2: Troye Sivan]

Jump starting your car cause this city's a bore
Making new clichés on our own little tour
Let's ride

[Chorus: Troye Sivan]

You don't have to say I love you to say I love you
Forget all the shooting stars and all the silver moons
We've been making shades of purple out of red and blue
Sickeningly sweet like honey, don't need money
All I need is you
All I need is you

[Verse 3: Troye Sivan]

We try staying up late
But we both are light weights

Yeah we get off our face, too easy
And we take jokes way too far
And sometimes living's too hard
We're like two halves of one heart

[Chorus: Troye Sivan]

You don't have to say I love you to say I love you
Forget all the shooting stars and all the silver moons
We've been making shades of purple out of red and blue
Sickeningly sweet like honey, don't need money
All I need is you
All I need is you

[Bridge: AllDay]

Eat a pill stay and chill you don't need go
I'm about to bring emo back if you leave my home
I'd panic at the disco and you'd rather watch a tv show
Then ill squeeze your booty real hard like I'm kneading dough
Pizza boy, I'm speeding for ya

We canna get married tonight if you really wanna
Me in a cheap suit like a sleazy lawyer
And if you break my lil heart, it'd be an honour

[Chorus: Troye Sivan]

You don't have to say I love you to say I love you
Forget all the shooting stars and all the silver moons
We've been making shades of purple out of red and blue
Sickeningly sweet like honey, don't need money
All I need is you
All I need is you
