tom:

Intro: D Bm Gbm A

[Primeira Parte]

Everybody loves you, baby  
You should trademark your face  
Linin' down the block to be around you  
But, baby, I'm first in place

[ Pre-coro ]

Face card  
No cash, no credit  
Yes, God  
Don't speak, you said it  
Look at you  
Skip the application, interview  
Sweet like Marabou  
Look, look at you

[Refrão]

Give me a call if you ever get lonely  
I'll be like one of your girls or your homies  
Say what you want and I'll keep it a secret  
You get the key to my heart and I need it  
Give me a call if you ever get desperate  
I'll be like one of your girls

[Segunda Parte]

Everybody wants you, baby (everybody)

You should insure that waist (with the highest policy you can get)

But nobody wants you bad as I do

Baby, let me plead my case

Yeah

Yes, God

Don't speak, you said it

I'll be like one of your girls or your homies
