

# Troye Sivan - Seventeen

Tom: D

I got these beliefs that I think you wanna break  
 Got something here to lose that I think you wanna take from me  
 You say that I'm asleep but I wanna be awake  
 Got something here to lose that I know you wanna take

And he said age is just a number, just like any other  
 We can do whatever, do whatever you want  
 Boy becomes a man now  
 Can't tell a man to slow down  
 He'll just do whatever, do whatever he wants

I went out looking for love when I was seventeen  
 Maybe a little too young, but it was real to me  
 And in the heat of the night, saw things I'd never seen  
 Oh oh oh oh oh oh, seventeen

You should know I'm green but I'll find my way around  
 Heard the whispers, now let's see what all the talk's about  
 I'm taking in the sights and measuring the sounds  
 Heard the whispers, now let's see what all the talk's about

And he said age is just a number, just like any other  
 We can do whatever, do whatever you want  
 Boy becomes a man now  
 Can't tell a man to slow down

He'll just do whatever, do whatever he wants  
 I went out looking for love when I was seventeen  
 Maybe a little too young, but it was real to me  
 And in the heat of the night, saw things I'd never seen  
 Oh oh oh oh oh oh, seventeen

Oh oh oh oh oh oh  
 Seventeen, seventeen, seventeen  
 Oh oh oh oh oh oh  
 Seventeen, seventeen, seventeen

I went out looking for love when I was seventeen  
 Maybe a little too young, but it was real to me  
 And in the heat of the night, saw things I'd never seen  
 Oh oh oh oh oh oh, seventeen

I went out looking for love when I was seventeen  
 Maybe a little too young, but it was real to me  
 And in the heat of the night, saw things I'd never seen  
 Oh oh oh oh oh oh, seventeen

Oh oh oh oh oh oh  
 Seventeen, seventeen, seventeen  
 Oh oh oh oh oh oh  
 Seventeen, seventeen, seventeen

( D Em G )
