

Troye Sivan - Talk Me Down

Tom: F

Intro: F Am Dm Bb

F **Am** **Dm**
Bb
 I wanna sleep next to you, but that's all I wanna do right now.

F **Am**
Dm **C**
 And I wanna come home to you, but home is just a room full of my safest sounds,

Gm **F** **C**
 'cause you know that I can't trust myself with my 3am shadow,
Gm **F** **C**
 I'd rather fuel a fantasy than deal with this alone.

F **Am** **Dm**
 I wanna sleep next to you, but that's all I wanna do right now,
Bb **F**
 so come over now and talk me down.

(Am Dm Bb)

Verse:

F **Am** **Dm**
Bb
 I wanna hold hands with you, but that's all I wanna do right now.

F **Am**
Dm **C**
 And I wanna get close to you, 'cause your hands and lips still know their way around,

Gm **F** **C**
 and I know I like to draw the line when it starts to get real,
Gm **F** **C**
 but the less time that I spend with you, the less you need to heal.

F **Am** **Dm**
 I wanna sleep next to you, but that's all I wanna do right

now,

Bb **F**
 so come over now and talk me down.

(Am Dm Bb)

(Talk me down)

(F Am Dm Bb)

Bridge:

Dm **C**
 If you don't mind, I'll walk the line,
Am **Bb**
 stuck on the bridge between us,
Dm **C**
 grey areas, and expectations,
Am **Bb**
 but I'm not the one if we're honest.

Outro:

F **Am** **Dm**
Bb
 But I wanna sleep next to you, and I wanna come home to you.
F **Am** **Dm** **Bb**
 I wanna hold hands with you, I wanna be close to you.

Bb
 But I wanna sleep next to you and that's all I wanna do right now,

F **Am**
Dm
 and I wanna come home to you, but home is just a room full of my safest sounds,

Bb
 so come over now and talk me down.
