Tom: G

G  
What if, what if we run away? What if, what if we left today?  
Em  
What if we say goodbye to safe and sound?  
G

D  
And what if, what if we're hard to find? What if, what if we lost our mind?  
Em  
What if we were to fall behind, never found.  
C

G  
And when the lights start flashing like a photobooth,  
Em  
And the stars exploding, we'll be fireproof.

G Am Em  
My youth, my youth is yours. Trippin' on skies, sippin' waterfalls.  
G Am Em  
My youth, my youth is yours. Run away now, we're forever gone.

C  
My youth, my youth is yours. The truth's so loud you can't ignore,  
Em Bm once  
My youth, my youth, my youth, my youth is yours.

G D Em C

G D  
What if, what if we start to drive? What if, what if we close our eyes?  
Em C  
What if we're speeding through red lights to paradise?  
G

'Cause we've no time for getting on before our bodies turn to stones.  
Em C  
Cross your fingers here we go, Oh, oh, oh.

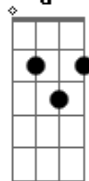

G D  
And when the lights start flashing like a photobooth,  
Em  
And the stars exploding, we'll be fireproof.
