tom:  
Abm

E7M Abm

Tryna to get you online

Even if it's not time Gb7

'Cause if you're real or not

I saw you there sitting from your back

( E7M )

Reading between the lines Abm

Maybe I could still try Gb7

Might be crazy, but I vaguely thought

I heard you say hi E7M Abm

Heard you said hi Gb7

'Cause I'm thinking about you E7M

Lost in that song groove Abm

Tellin' you stories by the waves Gb7 Dbm

Sunsets are so blue E7M

When I'm not around you Abm

I can't go back to yesterday Gb7 Abm

I tried to knock it off, but it's okay E7M

( Abm )

I'm getting tired of makin' the same mistakes Gb7 Dbm

Can't get my mind up off your stupid face E7M

It floods my brain Abm

Yeah, it floods my brain Gb7 Dbm

E7M Abm

And he said it once but I don?t even Gb7

Know if what he?s saying I trust Gb7

And now it's breaking us even though

You've never seen my face once

E7M Abm

And it?s over cuz I just ain?t strong Gb7

Enough

And you're the water to my steel and now

E7M Abm

It starts to rust
