

Trueblood - Flood My Brain

tom:
Abm

E Abm
Tryna to get you online

Gb7
Even if it's not time

'Cause if you're real or not

I saw you there sitting from your back

(E)

Abm
Reading between the lines

Gb7
Maybe I could still try

Might be crazy, but I vaguely thought

E Abm
I heard you say hi

Gb7
Heard you said hi

E
'Cause I'm thinking about you

Abm
Lost in that song groove

Gb7 Dbm
Tellin' you stories by the waves

E
Sunsets are so blue

Abm
When I'm not around you

Gb7 Abm
I can't go back to yesterday

E
I tried to knock it off, but it's okay

(Abm)

Gb7 Dbm
I'm getting tired of makin' the same mistakes

E
Can't get my mind up off your stupid face

Abm
It floods my brain

Gb7 Dbm
Yeah, it floods my brain

E Abm
And he said it once but I don't even

Gb7
Know if what he's saying I trust

Gb7
And now it's breaking us even though

You've never seen my face once

E Abm
And it's over cuz I just ain't strong

Gb7
Enough

And you're the water to my steel and now

E Abm
It starts to rust

Gb7
It starts to rust

E Abm
And now it starts to rust

Gb7
