

# Trueblood - Make It Out

tom: **A**            **A,A#,G**  
 Why do I always feel  
**A,A#,G**  
 Like everything ain't real?  
**A,A#,G**  
 I shut myself inside  
**A,A#,G**  
 Needing a place to heal

**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out  
**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out

**A**  
 Dizzy since I left  
**Bb**    **G**  
 Every second now, boy, I've never stressed  
**Bb**    **A**  
 Any more than now, I can't catch my breath  
**Bb**    **G**  
 What's this all about? Wish I never left  
**Bb**            **G**  
 'Cause I can't make it out

Yeah

Okay

**A,A#,G**  
 And even all my doubts  
**A,A#,G**  
 Are spilling out my mouth  
**A,A#,G**  
 I shut my thoughts inside

**A,A#,G**  
 Sometimes they get too loud

**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out  
**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out

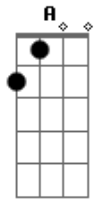

**A**  
 Dizzy since I left  
**Bb**    **G**  
 Every second now, boy, I've never stressed  
**Bb**            **A**  
 Any more than now, I can't catch my breath  
**Bb**            **G**  
 What's this all about? Wish I never left  
**A**            **Bb**  
 'Cause I can't make it out

**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out  
**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out  
 'Cause I can't make it out

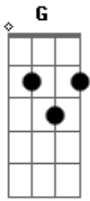

**A**  
 (I can't make it out)  
**A**  
 (I can't make it out)

**A**            **Bb**            **G**  
 I can't, I can't, I can't make it out  
 I can't, I can't, I can't make it out
