

Trueblood - Morning Shade

tom:
Gb

Intro: Gb B (x4)

[Primeira Parte]

Gb Yeah, I liked all the times our eyes met
And you laughed at the things that I said
Gb Now it just feels like it's the end
Cause you know from the start I liked you
But I never mentioned it
And saying nothing is what I regret

[Pré-Refrão]

Gb Cause now your face is always in my mind
You left and now there's no use keeping
Track of time
Don't know if I could really ever say
Goodbye to someone like you
I'm thinking about you

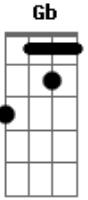

[Refrão 1]

B Db Gb I know I might not see you again after
Today
B Db Hoping I could spend some time with you
Gb In the morning shade
B Db And we might not look at each other the
Gb Same way
B Db But I loved the time we had so I guess
Gb It's okay
Gb B Yeah, it's okay
Gb Yeah, it's okay

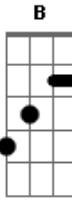

[Segunda Parte]

Gb Yeah, I liked all the times our eyes met
And you laughed at the things that I said
Gb Now it just feels like it's the end
