# Tunde - Letting Me Down Gently

Tom: G
Intro: C7  Am7

C7                      Am7
Step from you car back into the real world
C7                          Bm7
Can't hold your heat in the cold light of day
C7                          Am7
I won't find the heart to accept that we're over
C7                           Bm7       Em7
As long as you're there I can beg you to stay

                  Am7
You say that you need to talk later
       Bm7
But I can't hold it together
     Em7          A
So I call right away

            C    D
Letting me down gently
      Am7       Bm7    Em7
Is breaking my heart slowly
                  D
And this can't be better
               C
So just get it over
        B7         C     D
Cause holding on desperately
     Am7          Bm7     Em7
In fear that you might leave me
               Am7
Is breaking my heart slowly
             Bm7
(Letting me down gently)
               Am7
Is breaking my heart slowly
               Bm7
(Breaking my heart slowly)
            Am7
Letting me down gently
             Bm7
(Letting me down)
              C7     Am7
Is breaking my heart

( C7  Am7 )
( C7  Am7 )

C7               Am7
Chasing around have you twisted and stumbled
C7                  Bm7
Losing your way to end up by my side
C7                     Em7
Now you are ready to change your direction
C7                          Bm7       Em7
Remember you came with your eyes open wide

                  Am7
You say that you need to talk later
       Bm7
But I can't hold it together
     Em7          A
So I call right away
            C    D
Letting me down gently
      Am7       Bm7    Em7
Is breaking my heart slowly
                  D
And this can't be better
               C
So just get it over
        B7         C     D
Cause holding on desperately
     Am7          Bm7     Em7
In fear that you might leave me
               Am7
Is breaking my heart slowly
             Bm7
(Letting me down gently)
               Am7
Is breaking my heart slowly
               Bm7
(Breaking my heart slowly)
            Am7
Letting me down gently
             Bm7
(Letting me down)
               G                Bm7
Is breaking my heaaaaaaaaaart
               G                Bm7     B7
Is breaking my heaaaaaaaaaart

                        C     D          Am7
Letting me down gently
                           Bm7    Em7
Is breaking my heart slowly
                              D
And this can't be better
                        C             B7
So just get it over
                                 C  D             Am7
Cause holding on desperately
                              Bm7   Em7
In fear that you might leave me
                              Am7
Is breaking my heart slowly
                           Bm7
(Letting me down gently)
                           Am7
Is breaking my heart slowly
                              Bm7
(Breaking my heart slowly)
                           Am7
Letting me down gently
                           Bm7
(Letting me down)
