

# T. Universal - Tu Me Amas Assim

Tom: C

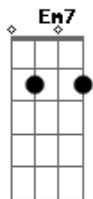

Tu me sondas  
 Em tudo me conheces  
 Até o meu pensar, Senhor  
 Sabes tu eu sei  
 Desde o ventre  
 Eu ainda nem era  
 Já eras tu comigo  
 Isso eu também sei  
 Apesar da fragilidade  
 Tu habitas em mim  
 Mesmo em meu ser pequeno  
 Tu te moves assim

Mesmo que eu desça ao abismo  
 Sentirei tuas mãos  
 E tu conservarás em paz  
 Esse meu coração  
 E quem apartará  
 O teu espírito de mim  
 Se Tu me amas assim  
 È impossível  
 Posso passar  
 Pelo vale da sombra da morte  
 Não temerei mal algum  
 Tu estarás comigo  
 Por onde for
