

Turma do Pagode - O Clima Tá Quente

Tom: D

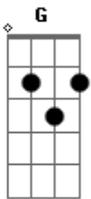

A cor da tua blusa
 É da cor do meu calor
 Fica legal no tom da tua pele
 Deixa o clima envolvente, é natural
 A cor do teu cabelo

Em frente ao espelho
 Revela meu desejo de te amar
 E nessa não tem pra ninguém
 O seu amor me leva além
 E além de tudo eu quero muito mais
 Já que o clima tá quente então vem,
 Dá seu corpo pro meu, por favor, me beija
