

Turnover - Dizzy On The Comedown

Tom: **Ab**

(com acordes na forma de **G**)

Capostrate na 1ª casa

C
Up and down like a red rubber ball
Em G
You're always back and forth like the clock on the wall
C
I want to know about you
Em G
I'm spinning all around you
C
If I stay do you think that we could change your routine?
Em G
I know a trick, I've always got a few up my sleeve
C
This life is controlled confusion
Em G
It's just a grand illusion

Pré-Refrão:

C D G C
And you ask me "How do you feel when you're away?"
D G
And you ask me "How do you pass the days?"

C
Sing along to a song that I know
Em G
It goes bah bah bada, sing it over and over
C
Let it hypnotize you
Em G
I'm still here right beside you

C
Hold my hand, you can follow my lead
Em G
You're like a ballerina twirling round on your feet
C
And watching is so fantastic
Em G
I want to ask you

Em G D

Would you come here and spin with me?

G D Em
I've been dying to get you dizzy

Em G D
Find a way up into your head

G D Em
So I can make you feel like new again

C Em
Now collapse, take delight in the fall and catch your breath

G
I know you feel the ring from it all

C
So try and collect yourself now

Em G
It's just a euphoric comedown

C D G C
And you ask me "How do you feel when you're away?"

D G
And you ask me "How do you pass the days?"

C D G
Cause I can still remember when you were afraid of the dark

C
And I told you to come and you followed where I asked you to go

G
You'd go

Em G D
Would you come here and spin with me?

G D Em
I've been dying to get you dizzy

Em G D
Find a way up into your head

G D Em
So I can make you feel like new again

Em G D
Would you come here and spin with me?

G D Em
I've been dying to get you dizzy

Em G D
Find a way up into your head

G D Em
So I can make you feel like new again
