

TV Girl - Better In The Dark

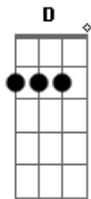

tom:
A

When I saw you standing there D
With the dyed-up blonded hair A
They said that you had clout D
I said I didn't care A
When the liquor was all clear D
I could see you through the glass A
There's something I could tell you D
But I forgot to ask Em
Em In the shadow of the stars Em G
The lighter makes a spark G
But I look better in the dark A D A D
I look better in the dark A D

(A D A D)

A Do you think it would be weird D
If I dropped into a dream? A
Always the first to know D
Always the last to leave A
If you're sober in the morning D
We can always just pretend A
That you drank on your way home D
And the party didn't end Em
Em When the sunlight meets the dawn Em
G You'll see I'm not the one you want
G 'Cause I look better in the dark A D
