

# TV Girl - Lovers Rock

tom:  
Capostrate na 1ª casa <sup>Eb</sup> (forma dos acordes no tom de <sup>D</sup> )

<sup>D</sup>  
Are you sick of me?  
<sup>D</sup>  
Would you like to be?  
<sup>D</sup> <sup>E</sup>  
I'm tryna tell you something  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
Something that I already said  
<sup>D</sup>  
You like a pretty boy  
<sup>E</sup>  
With a pretty voice  
<sup>E</sup>  
Who's tryna sell you something  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
Something that you already have  
<sup>D</sup> <sup>E</sup>  
But if you're too drunk to drive  
<sup>E</sup>  
And the music is right  
<sup>D</sup>  
She might let you stay  
<sup>D</sup>  
But just for the night  
<sup>D</sup> <sup>E</sup>  
And if she grabs for your hand  
<sup>E</sup>  
And drags you along  
<sup>D</sup>  
She might want a kiss  
<sup>D</sup>  
Before the end of the song  
<sup>D</sup> <sup>E</sup> <sup>A7</sup> <sup>D</sup>  
Because love can burn like a cigarette  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
And leave you with nothing  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
And leave you with nothing  
<sup>D</sup>  
While the others talk  
<sup>D</sup> <sup>E</sup>  
We were listening to lovers rock

## Acordes

<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
In her bedroom, in her bedroom  
<sup>D</sup> <sup>E</sup>  
And if you start to kiss  
<sup>D</sup> <sup>E</sup>  
And the record skips  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
Flip it over and sit a little closer  
<sup>D</sup> <sup>E</sup>  
But if you're too drunk to drive  
<sup>E</sup>  
And the music is right  
<sup>D</sup>  
She might let you stay  
<sup>D</sup>  
But just for the night  
<sup>D</sup> <sup>E</sup>  
And if she grabs for your hand  
<sup>E</sup>  
And drags you along  
<sup>D</sup>  
She might want a kiss  
<sup>D</sup>  
Before the end of the song  
<sup>D</sup> <sup>E</sup> <sup>A7</sup> <sup>D</sup>  
Because love can burn like a cigarette  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
And leave you with nothing  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
And leave you with nothing

Now, how many man have you kissed?  
Very few

But you offered me a kiss, why?

Such a foolish reason I'm afraid

I just wanted to kiss you  
<sup>D</sup> <sup>E</sup> <sup>A7</sup> <sup>D</sup>  
Because love can burn like a cigarette  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
And leave you with nothing  
<sup>E</sup> <sup>A7</sup> <sup>D</sup>  
And leave you with nothing
