

TV Girl - My Girlfriend

tom:

C

C **Am**
My girlfriend gets so depressed

G
She never leaves the house

F
She doesn't even get dressed

C **Am**
My girlfriend always leaves a mess

G
She says she's gonna to clean

F
But she always forgets

C **Am**
My girlfriend is there when I get home

G
Watching movies on TV

F
Or talking on the phone

C
Sometimes I wanna leave

Am
But I've got nowhere to go

G
But hey nobody's perfect

F
No one wants to be alone

C **Am**
My girlfriend is so unimpressed

G
By everything I say

F
You can see it in her face

C
I don't say much

Am
I just hope and pray

G
There's been some big mistake

F

And buy her flowers just in case

C
And I don't mind it

Am
When she goes out with her friends

G
And they drop her off drunk

F
And I take her up to bed

C
She's say: I'm sorry

Am
And I kiss her on the head

G
And everything is fine

F
Until the morning comes again

Em **F**
I remember when we were in high school

Em **F**
I took her to the dance

Em **F**
We snuck out to the bleachers

Em **F**
And I thought that I might take a chance

C **Dm** **Em** **F**
But it never does any long-term good

C **Dm** **Em** **F**
To go thinking about the past

C **Dm** **Em** **F**
God damn this wandering mind of mine

C **Dm** **Em** **F**
That can't be happy with what it has

C **Dm** **Em** **F**
But I'm not mad

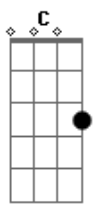

C **Dm** **Em** **F**
And sometimes we still laugh

C **Dm**
And when she's just getting up

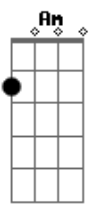

Em **F**
And the Sun hits her right

C **Dm** **Em** **F**
She doesn't even look half bad
