Haven't you taken enough from me

Em **D**
Won't you torture someone else's sleep?

G **Am**
And you will never know what I'm thinking of

Em **D**
So won't you say goodnight so I can say goodbye

G **Am**
And you will never understand what I believe

Em **D**
So won't you say goodnight so I can say goodbye.

G **Em**
Haven't you taken enough from me

Am **D**
Won't you torture someone else's sleep?

G **Am**
Won't you go to someone else's dreams

Em **D**
Won't you go to someone else's head

G **Am**

G
I start to part two halves of my heart in the dark and I

Am
Don't know where I should go

Am
And the tears and the fears begin to multiply

Em
Taking time in a simple place

D
In my bed where my head rests on a pillowcase

D
And it's said that a war's lead but I forget

G
That I let another day go by

G
I want to be afraid but it seems that these days

Am
I'm caught under water and I'm falling farther

Em
My heart's getting harder, I'm calling my father

D
Am I screaming to an empty sky?

G **Am**
Empty sky, no way, that's me 'cause one half of my heart is free

Em **D**
G
Empty sky, no way, that's me 'cause the other half of my heart's asleep.
