

Twenty One Pilots - Chlorine

Tom: **A**

finação: **Db Gb Cb E G Db**

So, where are you? It's been a little while

Sippin' on straight

D

Chlorine
Let the vibes slide

A

Over me
This beat

Bm

Is a chemical, beat is a chemical
When I leave,

G

Don't save my seat
I'll be back when it's

D

All complete
The moment

A

Bm

Is medical, moment is medical
Sippin' on straight

D

Chlorine

A

Bm

Lovin' what I'm tastin', ooh
Venom on my tongue,

A

D

Dependent at times

A

Bm

Poisonous vibrations, ooh
Help my body run

I'm runnin'

G

Bm

For my life
Runnin'

A

For my life

Sippin' on straight

D

Chlorine
Let the vibes slide

A

Over me
This beat

Bm

Is a chemical, beat is a chemical
When I leave,

G

Don't save my seat
I'll be back when it's

D

All complete
The moment

A

Bm

Is medical, moment is medical
Sippin' on straight

D

Chlorine

A

Bm

Fall out of formation, ooh
I plan my escape

A

D

From walls they confined

A

Bm

Rebel red carnation, ooh
Grows while I decay

I'm runnin'

G

Bm

For my life
Runnin'

A

For my life
Yeah, I'm runnin'

G

Bm

For my life
Runnin'

A

For my life

Hide you in my

D

Coat pocket, where I kept my rebel red

A

I felt I was invincible, you wrapped around my head

Bm

Now different lives I lead, my body lives on lead
The last two lines may read incorrect until said

G

The lead is terrible in flavor

D

But now you double as a papermaker

A

I despise you sometimes
I love to hate the fight

Bm

And you in my life is like

Sippin' on straight

D

Chlorine
Let the vibes slide

A

Over me
This beat

Bm

Is a chemical, beat is a chemical
When I leave,

G

Don't save my seat
I'll be back when it's

D

All complete
The moment

A

Bm

Is medical, moment is medical
Sippin' on straight

D

Chlorine

D

Let the vibe, let the vibe

A

Let the vibe, let the vibe

Bm

Beat is a chemical, yeah

G

Let the vibe, let the vibe

D

Let the vibe, let the vibe

A

Bm

Moment is medical, yeah

Sippin' on straight

D

Chlorine

Let the vibe, let the vibe

A

Let the vibe, let the vibe

Bm

Beat is a chemical, yeah

G

Let the vibe, let the vibe

D

Let the vibe, let the vibe

A

Bm

Moment is medical, yeah

D

A

Bm

I'm so sorry, I forgot you

G

D

A

Let me catch you up to speed

D

A

Bm

I've been tested like the end of
 A weathered flag that's by the sea

Can you build my house with pieces?
 I'm just

A chemical

Can you build my house with pieces?
 I'm just

A chemical

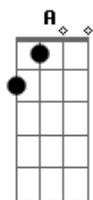

Can you build my house with pieces?
 I'm just

A chemical

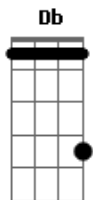

Can you build my house with pieces?
 I'm just

A chemical
