Crooked stencil

Then we trace it back again
From the mainland to the island of
Em
Violence
Em
It was the same plan for a while
Bm
Decided, to send me up and rip you out of

Your seat

Bm
You see, in a city with no entrance
Bm
There is not a retreat
Bm
I'm wondering what you thought would
Happen
Bm
Who you thought I would be

Was this a side-swipe, or did you picture
This in a dream?

Buckle down, this is possibly the furthest
We've reached
