

Twenty One Pilots - Leave The City

Tom: G

Intro: C Em D Bm

I'm tired of tending to this fire

I've used up all I've collected

I have singed my hands

It's glowing, embers barely showing

Proof of life in the shadows

Dancing on my plans

They know that it's almost

They know that it's almost over

They know that it's almost

They know that it's almost over

The burning is so low it's concerning

'Cause they know that when it goes out

It's a glorious gone

It's only time before they show me

Why no one ever comes back

With details from beyond

They know that it's almost

They know that it's almost over

They know that it's almost

They know that it's almost over

(They know uuh)
They know that it's almost over

(They know uuh)
They know that it's almost over

(They know uuh)

(They know uuh)

(They know uuh)

In time, I will leave the city

For now, I will stay alive

(They know uuh)
They know that it's almost over

(They know uuh)
They know that it's almost over

(They know uuh)
They know that it's almost over

(They know uuh)

Last year I needed change of pace

Couldn't take the pace of change

Moving hastily

But this year, though I'm far from home

In Trench I'm not alone

These faces facing me

They know uuh

They know uuh

What I mean
