

Twenty One Pilots - Neon Gravestones

Tom:

Intro: **Bm Gb A E G**

Bm
 What's my problem?
 Well, I want you to follow me
Gbm
 Down to the bottom
 Underneath the insane asylum
A
 Keep your wits about you while you got 'em
 'Cause your wits are first to
E
 Go while you're problem-solvin'
 And my problem?
G
 We glorify those even more when they

Bm
 My opinion, our culture can treat a loss like
Gbm
 It's a win
 And right before we turn on them
A
 We give 'em the highest of praise
 And hang their banner
E
 From the ceiling
 Communicating, further engraving
G
 An earlier grave is an optional way, no

Bm Gbm

Bm
 What's my problem?
 Don't get it twisted
Gbm
 It's with the people we praise who may have assisted
A
 I could use the streams and extra conversations
E
 I could give up, and boost up my reputation
G
 I could go out with a bang
 They would know my name
 They would host and post a celebration
Bm
 My opinion will not be lenient
Gbm
 My opinion, it's real convenient
A
 Our words are loud, but now I'm talking action
E
 We don't get enough love?
 Well, they get a fraction
G
 They say, "How could he go if he's got everything?
 I'll mourn for a kid, but won't cry for a king"

 But they won't get them
Bm
 No, they won't get them
Em
 They won't get them
D
 But they won't get them

A
 Don't get me wrong, the rise in awareness
Bm
 Is beating a stigma that no longer scares us
Em
 But for sake of discussion, in spirit of fairness
D
 Could we give this some room for a new point of view?
A
 And could it be true that some could be tempted
Bm
 To use this mistake as a form of aggression?
Em
 A form of succession?
 A form of a weapon?
D
 Thinking "I'll teach them"
A
 Well, I'm refusing the lesson
Bm
 It won't resonate in our minds
Em
 I'm not disrespecting what was left behind
D
 Just pleading that it does not get glorified
A
 Maybe we swap out what it is that we hold so high
Bm
 Find your grandparents or someone of age
Em
 Pay some respects for the path that they paved
D
 To life, they were dedicated
A
 Now, that should be celebrated
