^{Em}Em
(Wait, what? Wait, what?)

^{Em}Em
Earned my stripes, 300 tracks in my Adidas track jacket

Bless your ear holes while you react ^CC ^DD

Acting gobsmacked don't hesitate to maybe overcompensate

^{Em}Em
I feel like I was just here, same twitching in my eyes

Don't sleep on a boy who can't fall asleep twice

In the same night ^CC ^DD

And won't hesitate to maybe overcompensate
^CC ^DD ^AA ^CC
I fly by the dangerous bend symbol
^CC ^DD
Don't hesitate to maybe overcompensate
^CC ^DD ^AA
And then by the time I catch in my peripheral
^CC ^DD
Don't hesitate to maybe overcompensate

Where am I from? I was born right here, just now

Originated right in front of your eyes

If you can't see, I am Clancy ^{Em}
Prodigal son, done running, come up with Josh Dun ^{Em}

Wanted dead or alive

So now you pick who you serve

You bow to the masses
^{Em}Em
Get kicked to the curb

For passing the classes
^{Em}Em
Half empty, half full, save half for your taxes

Then overtake your former self

^CC ^DD ^AA ^CC
I fly by the dangerous bend symbol

Don't hesitate to maybe overcompensate

Don't hesitate to maybe overcompensate

Days feel like a perfect length
^{Em}Em
I don't need them any longer

But for goodness sake

Do the years seem
^{Em}Em
Way too short for my soul, corazón
^{Em}Em
Way too short for my soul, corazón

^{Em}Em
Days feel like a perfect length
^{Em}Em
I don't need them any longer

But for goodness sake
^{Em}Em
Do the years seem

Way too short for my soul, corazón
