

Twenty One Pilots - Ride

```
Tom: E
                                                              Like who would you live for? Who would you die for?
                                                              And would you ever kill?
(forma dos acordes no tom de Gb )
                           Afinação: D G C F A D
Intro: Gb Abm Ebm B
                                                              Oh whoa, oh whoa
                                                                                 В
                             Abm
                                     Ebm
                                                                 Ebm
                                                              I'm falling so I'm taking my time on my ride
I just wanna stay in the sun where I find
I know it's hard sometimes
                                                              Oh whoa
                                                              I'm falling so I'm taking my time on my ride
Pieces of peace in the sun's peace of mind
                                                                                Gb Abm Ebm B
                                                              Taking my time on my ride
I know it's hard sometimes
                               Abm
Yeah I think about the end just way too much
                                                                                          Abm Db
                                                               I've been thinking too much
               В
But it's fun to fantasize
                                                              Db
                                                               I've been thinking too much
                                Abm
All my enemies who wouldn't wish who I was
                                                               I've been thinking too much
But it's fun to fantasize
                                                               I've been thinking too much
Gb
        Abm
Oh whoa, oh whoa
                                                              Help me
  Ebm
I'm falling so I'm taking my time on my ride
                                                              Gb
                                                                                                      Ahm
                                                               I've been thinking too much (I've been thinking too much)
Abm
Oh whoa
                                                                                            Ebm Abm
                                                               I've been thinking too much (help me)
I'm falling so I'm taking my time on my ride
                                                               I've been thinking too much (I've been thinking too much)
                 Gb Abm Ebm B
Taking my time on my ride
                                                              Dh
                                                               I've been thinking too much
I'd die for you, that's easy to say
                                                              Oh whoa, oh whoa
                        Ahm
We have a list of people that we would take
                                                              I'm falling so I'm taking my time on my ride
A bullet for them, a bullet for you
                                                              Oh whoa
                                                                                В
A bullet for everybody in this room
                                                                                           Gb Abm Fbm
                                                                 Fhm
                                                              I'm falling so I'm taking my time
But I don't seem to see many bullets coming through
                                                              I'm taking my time on my ride
See many bullets coming through
                                                              Ebm B Gb
                                                              Whoa, oh, yeah
Metaphorically I'm the man
                                                              Abm
                                                              0h whoa
But literally I don't know what I'd do
                                                              I'm falling so I'm taking my time on my ride
I'd live for you, and that's hard to do
                                                              Abm
                                                              Oh whoa
Even harder to say when you know it's not true
                                                                                В
                                                              I'm falling so I'm taking my time on my
Even harder to write when you know that tonight
                                                              Gb Abm
                                                                             Db Ebm Abm
                                                              I've been thinking too much (help me)
There are people back home who tried talking to you
                                                                         Gb
                                                                                     Db
                                                              I've been thinking too much (help me)
But then you ignore them still
                                                                                Db Fbm Abm
All these questions they're for real
                                                               I've been thinking too much (help me)
                  Ebm
                                                                         Gb
                                                                                     Db Fm
                                                              I've been thinking too much (help me)
