```
Gb                            Abm    Ebm
 I just wanna stay in the sun where I find
           B
I know it's hard sometimes
Gb                        Abm      Ebm
 Pieces of peace in the sun's peace of mind
                 B
I know it's hard sometimes
Gb                       Abm        Ebm
 Yeah I think about the end just way too much
             B
But it's fun to fantasize
Gb                      Abm         Ebm
 All my enemies who wouldn't wish who I was
             B
But it's fun to fantasize

Gb      Abm
Oh whoa, oh whoa
    Ebm          B                 Gb
I'm falling so I'm taking my time on my ride
Abm
Oh whoa
    Ebm                 B         Gb Abm Ebm
I'm falling so I'm taking my time on my ride
B                 Gb Abm Ebm B
Taking my time on my ride

       Gb
I'd die for you, that's easy to say
                   Abm
We have a list of people that we would take
   Ebm
A bullet for them, a bullet for you
                 B
A bullet for everybody in this room
       Gb
But I don't seem to see many bullets coming through
       Abm
See many bullets coming through
Ebm
Metaphorically I'm the man
                   B
But literally I don't know what I'd do
      Gb
I'd live for you, and that's hard to do
                     Abm
Even harder to say when you know it's not true
      Ebm
Even harder to write when you know that tonight
                       B
There are people back home who tried talking to you
Gb
But then you ignore them still
                   Abm
All these questions they're for real
             Ebm
```

```
Like who would you live for? Who would you die for?
                   B
And would you ever kill?
