Walk the layout, routines in the night  
Some doors have ?stay out? spray painted in white  
D7M Dbm  
While all the world?s asleep, I walk around instead  
Gb E  
Through the memories, down the halls of my head

[Primeira Parte]

D7M Dbm Gbm  
Here comes a new night but I'll send it through  
E  
I'll probably jump on the next one  
D7M Dbm Gbm  
I'm testing the limits of what a mind can do  
E  
I'm keeping my eyelids up, no matt?r what

[Pré-Refrão]

D7M Dbm Gbm  
So beautiful, the space b?etween  
E D7M  
A painful reminder and a terrible dream  
Dbm Gbm  
I've been here before and I've got time  
E  
I'll give you the tour, show you why I?

[Segunda Parte]

Gb  
Reoccurring, keeps coming around  
Rem cycle skip, night psycho trip

Gb  
It?s reassuring you keep coming around  
It?s tough to find good company

Gb  
Reoccurring, days blurring

Gb  
I'm still learning what this is (What this is, what this is,  
what this is)  
Just keep me company
