

# Twenty One Pilots - Taxi Cab

Tom: A

I wanna fall inside your ghost  
 A2 And fill up every whole inside my mind  
 A And I want everyone to know  
 A2 That I am half a soul divid ed

Bm Sometimes we will die and sometimes we will fly away  
 Bm Either way you're by my side until my dying days  
 E And if I'm not there and I'm far away

I said, Don't be afraid,"  
 A

I said, "Don't be afraid, we're going home"

A I wanna strip myself a breath  
 A2 A breathless piece of death I've made for you  
 A A mortal writing piece of song will help me carry on  
 A2 But these you heard

Bm Sometimes we will die and sometimes we will fly away  
 Bm Either way you're by my side until my dying days  
 E And if I'm not there and I'm far away

A I said, "Don't be afraid,"  
 A I said, "Don't be afraid, we're going home"
