

Twenty One Pilots - The Craving (Jenna's Version)

```
If I found my body in chains \\
                                                                                         tom:
                                                                                                                                                                                                                                                                                                                                                                                      B7
                                                                                         Em
                                        C
                                                                                                                                                                                                                                                                                                                                                                   I'd lay down and wait
Seems I get in my own way
                                                                                                                                                                                                                                                                                                                                                                  And hope she looks for me
The more I think, the less I say
                                                                                                                                                                                                                                                                                                                                                                  And hope she looks for me
C G
I hope I communicate the craving
                                                                                                                                                                                                                                                                                                                                                                  0oh
Now I see intentions don't mean much
                                                                                                                                                                                                                                                                                                                                                                  ( C G B7 Em )
( C G Bm Am C )
Say enough, say enough
Did I let her know, let her know
                                                                                                                                                                                                                                                                                                                                                                  Say enough, say enough
