

Twenty One Pilots - We don't believe whats on tv

Intro: -x2-: Gbm E A A

We don't believe what's on TV
Because it's what we want to see
And what we want we know we can't believe
We all have learned to kill our dreams

I need to know
That when I fail you'd still be here.... mmmm
Cause if you stick around, I'll sing you pretty sounds
And we'll make money selling your hair

I don't care what's in your hair
I just wanna know what's on your mind
I used to say I wanna die before I'm old
But because of you I might think twice

-Yeah! Yeah! Yeah!-

Interlude -x2-: Gbm E A A

Gbm E A

What if my dream does not happen?

Would I just change what I've told my friends?

Don't want to know who I would be

When I wake up from a dreamer's sleep

I need to know

That when I fail you'd still be here... mmmm

Cause if you stick around, I'll sing you pretty sounds

And we'll make money selling your hair

I don't care what's in your hair

I just wanna know what's on your mind

I used to say I wanna die before I'm old

But because of you I might think twice

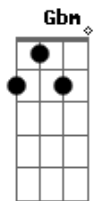

I don't care what's in your hair

I just wanna know what's on your mind

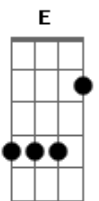

I used to say I wanna die before I'm old

But because of you I might think twice
