C F G C x2

Didn't have much time to see why I was found F G C

 As time ran out G C
 Sail across the world C F
 Just to find a pearl G
 On the other side C
 Hope the pearl won't forget this song C F
 And won't forget the sky G C

Am C
 I don't know what I should give, C F
 Or what I'm to sing Am G
 All I can do is give you this C F
 And let my heart play C F
 I know your face C F

 Let this song whisper your name C F G C
 A song is not much time to show C F G C
 How beautiful you are F G C
 But I will sing a song to your heart Am G
 I don't know what I should give, C F
 Or what I'm to sing Am G
 All I can do is give you this C F
 And let my heart play Am G
 I know your face C G
 Let this song whisper your name Am F C G

Am F C G
 I don't know what I should give, C F
 Or what I'm to sing Am G
 All I can do is give you this C F
 And let my heart play Am G
 I know your face C G
 Let this song whisper your name C
