Girl it's really good to see you come around
Am
I know you been lost, I'm glad you got found
C G
Cause I've been a little lost myself

Found an old picture of you on my phone
Am
Got a new feeling now I won't let go
C G
Til I can, I can tell you for myself

G
Why don't you stay for a while
Am
It's been too long since I've smiled
C G
There's too few people I trust
G
I won't ask you for too much
Am
Good conversation and such
C G
And if I'm being honest

G
From time to time
Am
You cross my mind
C
Good company
G
Is hard to find
G
From time to time
Am
You cross my mind
C
So stay with me
G
Just for the night
(G Am C G)

G
Got an old record in a beat up sleeve
Am
That same sad song that you sang to me
C G
Back when you couldn't say it for yourself
G
Look I'd be lying if I said to you
Am
That I know exactly what I should do
G
But I've set my whole heart on trying

G
Why don't you stay for a while
Am
It's been too long since I've smiled
C G
There's too few people I trust

I won't ask you for too much
