

## Two Door Cinema Club - Changing Of The Seasons

Tom: **D**

so it's over **D E**  
 I didn't realize **G D**  
 it's so much colder **D E**  
 but it was no surprise **G D**  
 did you ever **D E**  
 get to know me? **G D**  
 because it has never **D E**  
 been so plain to see **G D**

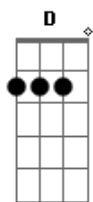

and when you say you won't forget me **Bm Gbm**  
 I can tell you that's untrue **G D**  
 because everyday since you left me **Bm Gbm**  
 I've thought less and less of you **G D**  
 and I've worn out all the reasons to keep on knocking at your door **A Bm G D**  
 could be the changing of the seasons but I don't love you anymore **A Bm G D**

the door is open **D E**  
 you whisper to me **G D**  
 as you stood frozen **D E**  
 in deep uncertainty **G D**  
 I hope that you know **D E**  
**G D**

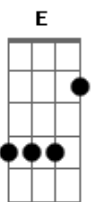

that I am thinking **D E**  
 before you go **G D**  
 with your heart sinking **Bm Gbm**  
 and when you say you won't forget me **G D**  
 I can tell you that's untrue **Bm Gbm**  
 because everyday since you left me **G D**  
 I've thought less and less of you **A Bm G D**  
 and I've worn out all the reasons to keep on knocking at your door **A Bm G D**  
 could be the changing of the seasons but I don't love you anymore **A Bm G D**

any more  
 any more  
 you said come back and spend the night, come back and spend the night with me **D**  
 and when you say you won't forget me **Bm Gbm**  
 I can tell you that's untrue **G D**  
 because everyday since you left me **Bm Gbm**  
 I've thought less and less of you **G D**  
 and I've worn out all the reasons to keep on knocking at your door **A Bm G D**  
 could be the changing of the seasons but I don't love you anymore **A Bm G D**
