And she spoke words that would melt in your hands

And she spoke words of wisdom

To the basement people, to the basement, many surprises await you

In the basement, people, in the basement

You hid there last time, you know we're gonna find you

so get in the carseat cause you're not up to going

Out on the main streets, completing your mission

You hid there last time, you know we're gonna find you

so get in the carseat cause you're not up to going

Out on the main streets, completing your mission

And she spoke words that would melt in your hands

And she spoke words of wisdom

To the basement people, to the basement, many surprises await you

In the basement, people, in the basement

You hid there last time, you know we're gonna find you

so get in the carseat cause you're not up to going

Out on the main streets, completing your mission

You hid there last time, you know we're gonna find you

so get in the carseat cause you're not up to going

Out on the main streets, completing your mission

(**C G Am**) (2x)

You hid there last time, you know we're gonna find you

so get in the carseat cause you're not up to going

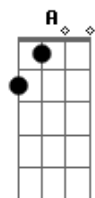

Out on the main streets, completing your mission

You hid there last time, you know we're gonna find you

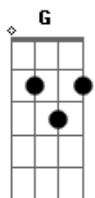

so get in the carseat cause you're not up to going

Out on the main streets, completing your mission
