

Ty Herndon - Heathers Wall

Tom: Eb

(com acordes na forma de D)
 Capotraste na 1ª casa
 Capo 1st Fret / Key of "D#"

Intro: D (let ring) G (let ring)

Well, it feels like slow-motion

I hear the gun explodin'

I see the flash, it brings me to my knees

And I feel the warmth flowin' out of me

-CHORUS

But in my mind, I'm climbin' up the stairs

And walkin' down the hall

And Heather's standin' there

October ninety-nine

I see us in New England in the fall

Our love will last forever like that 8 by 10

Hangin' on Heather's wall

Hangin' on Heather's wall

I see the money on the floor

And his gun there by the door

He was tryin' to rob the bank when I walked in

Oh, but this is not the way it's supposed to end

-Repeat Chorus

-Solo-> D G A A2 A D G A A2 A

-Bridge

Oh, somewhere someone says we've lost him now

But I look up and I see Heather's smile

-CHORUS #2

So how can I be dyin', when I'm climbin' up the stairs

And walkin' down the hall

And I see a bright light there

October ninety-nine

And that picture of New England in the fall

Our love will last forever like that 8 by 10

Hangin' on Heather's wall (our love will last forever)

Hangin' on Heather's wall (our love will last forever)

Hangin' on Heather's wall
