That's yet to be tried E

But I'm gettin' pretty tired A D  
Of these little games you play A D  
Where we get so damn close A  
But you up and walk away E  
( D )

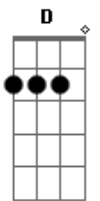

To the ends of the earth I will A D  
I'll follow you A  
G D A  
Where the horizon meets the sunrise  
If that's just what you choose to do E  
( D )

If you choose to love me A  
Or if you choose to leave again, yeah D Gbm E D  
Till the end of the earth A E  
I'll be your man D
