

Ty Tabor - Thank God

Tom: D

Intro 2x: Bm D G A

I am beaten down
I am broken ground
I have lost my found
But I'm not done
I have everything
But I am nothing
Just a squirming bug
Under a rug
But I thank God for everything

(Thanks for everything)

Thank God for everything

(Thanks for all)

There's a road ahead

We all end up dead

Some get there ahead

Some hang on

I will take a step

Than another step

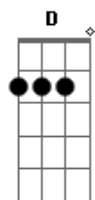

'Cause I find it helps me

Not to stall

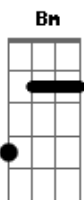

(Refrão)

(Repete 2x)
