Am
You remind me of a Sunday
Am C
Back home in old Kentucky
G F C
With the church choirs just beltin' to the pines
Am
And I love you like the mountains
Am C
Love's the way the mornin' opens
G F C C C
To a soft and bright greetin' from the Sun
F G C G
So if it'd make you stay
Am
I wouldn't act so angry all the time
Am C
I wouldn't keep it all inside
G F C C C
And I'd let you know how much I loved you every day
F C G
So darlin', will you stay right here
Am Am G C G C
And shake this frost off of my bones?

Am
Well, I used to ride a Mustang
Am C
And I'd run that thing on high hopes
G F C
Till they raised the price of dreams so high I couldn't pay
Am
So I let that car just sit there
Am C
When I should've took you driving
G F C C C
With the windows down while the music played
F G C G
So if it'd make you stay
Am
I wouldn't act so angry all the time
Am C
I wouldn't keep it all inside
G F C C C
And I'd let you know how much I loved you every day
F C G
So darlin', will you stay right here
Am Am G C G C
And shake this frost off of my bones?
F C G
Darlin', will you stay right here
Am Am G C G C
And shake this frost off of my bones?
