A real ninja, with the blade and the mask

See you in the dark when you're sleepin'
Naked body, fresh out the shower

I'm a down to Earth nigga with intentions that's right

E
See when I'm with my friends I just put on a front
But in the back of my top, I'm writing songs about we
We, as including I, and yourself, making three

Ebm
Little ones, the drums are hitting pretty hard if you ask me

Ebm
You're a pretty broad in the top three
Of things that I've been waiting to come, so

Dbm

One, two; you're the girl that I want
Three, four, five, six, seven; shit
Eight is the bullets if you say no after all this

Ebm
And I just couldn't take it, you're so motherfuckin' gorgeous

Ebm
Gorgeous, baby you're gorgeous
I just wanna drag your lifeless body to the forest

Dbm
And fornicate with it
But that's because I'm in love with you, cunt

[Ponte]

E
I just wanna talk, and conversate
'Cause I usually just stalk you and masturbate
And I finally got the courage to ask you on a date
So just say yes, let the future fall into place (Cunt)
