

Type O Negative - September Sun

Tom: **B**

B **E**
September sun blowing golden hair

B
Now keep in mind son

E
She was never there

B
October's rust

E
Bisecting black storm clouds

B **E**
Only the deaf hear my silent shouts

Gb **E**
Yet in the dark, still he screams your name

Gb **D**
Nights living death with witch rhymes insane

Gb **E**
Ten years amassed, para toda mi vida?

D **E**
Lost man in time, was his name Peter?

B **E**
September sun, rotted flatbush porch

B **E**
I would have run then, had I known the cost

B **E**
Autumnal rays turned your eyes to stone

B **E**
Did it give you pleasure to steal my soul?

Gb **E**
Yet in the dark, still he screams your name

Gb **D**
Nights living death with witch rhymes insane

Gb **E**
Ten years amassed, para toda mi vida?

D **E**
Lost man in time, was his name Peter?

B **E**
Leave her, Leave her alone

B **E**
I said leave her alone

B
Me? I know why
