

## U2 - 13 (There Is a Light)

Tom: D

Intro: G Bm A

And if the <sup>G</sup>terrors of the <sup>D</sup>night  
Come <sup>G</sup>creeping into your <sup>D</sup>days  
And the world comes stealing children from your room <sup>A</sup>

Guard your <sup>G</sup>innocence <sup>Bm A</sup>  
From <sup>G</sup>hallucination <sup>Bm A</sup>  
And know the darkness <sup>G Bm A</sup>always gathers around the <sup>E</sup>light

There is a <sup>G</sup>light, you can't always <sup>D</sup>see  
If there is a <sup>A</sup>world, we can't always <sup>Bm</sup>be  
If there is a <sup>G</sup>dark, that we shouldn't <sup>D</sup>doubt  
And there is a <sup>A</sup>light, don't let it go <sup>Bm E</sup>out

When the <sup>G</sup>wind screams and <sup>D</sup>shouts  
And the sea is a <sup>G</sup>dragon's <sup>D</sup>tale  
And the ship that stole your heart away set <sup>A</sup>sail

When all you've <sup>G Bm A</sup>learned is leaving  
And all you got is <sup>G Bm A</sup>grieving  
And all you know is <sup>G D E</sup>leading  
Ah da-da, ah da-da-da, ah-da

If there is a <sup>G</sup>light, you can't always <sup>D</sup>see  
<sup>A Bm</sup>

If there is a world, we can't always be  
If there is a <sup>G</sup>dark, that we shouldn't <sup>D</sup>doubt  
And there is a <sup>A</sup>light, don't let it go <sup>Bm</sup>out  
?Cause this is a <sup>G D A</sup>song, a song for someone <sup>Bm</sup>  
Someone like <sup>E</sup>me  
I know the <sup>G</sup>world is <sup>D</sup>done  
But you don't have to be <sup>D</sup>  
I've got a <sup>G</sup>question for the child in you before it <sup>D</sup>leaves  
Are you <sup>G</sup>tough enough to be <sup>Bm A</sup>kind?  
Do you know your heart has it's own <sup>A</sup>mind?  
Darkness <sup>G Bm A</sup>gathers around the <sup>E</sup>lights  
Hold on, hold on

There is a <sup>G</sup>light, you can't always <sup>D</sup>see  
If there is a <sup>A</sup>world, we can't always <sup>Bm</sup>be  
If there is a <sup>G</sup>dark, that we shouldn't <sup>D</sup>doubt  
And there is a <sup>A</sup>light, don't let it go <sup>Bm</sup>out  
And this is a <sup>G D A</sup>so-o-o-ong, a song for someone <sup>Bm</sup>  
This is a <sup>G D A</sup>so-o-o-ong, a song for someone <sup>Bm</sup>  
Someone like <sup>E</sup>me  
Someone like <sup>E</sup>me  
Someone like <sup>E</sup>me  
Someone like <sup>E</sup>me
