

## U2 - American Soul

Tom: **D**

**Em**  
Blessed are the bullies  
For one day they will have to stand up to themselves  
**Em**  
Blessed are the liars  
For the truth can be awkward

( **Em A** )

**Em**  
It's not a place  
This country is to me a sound  
**Em**  
Of drum and bass  
You close your eyes to look around

**Em**  
Look around, look around  
**Em A Em**  
Look around, it's a sound  
**Em**  
Look around, look around  
**A**  
It's a sound

**Em**  
It's not a place  
This country is to me a thought  
That offers grace

For every welcome that is sought

**Em Bm**  
You are rock and roll  
**Em A**  
You and I are rock and roll  
**Em**  
You are rock and roll  
**Em**  
Came here looking for American soul

**Em**  
It's not a place  
**Em A**  
This is a dream the whole world owns  
**Em**  
The pilgrim's face  
**Em A Em**  
It had your heart to call her home

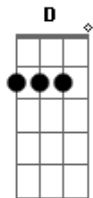

**Em G**  
Dream on  
**G A**  
dreams get me sleepin'

( **Bm D** )

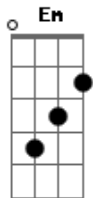

**Em Bm**  
You are rock and roll  
**Em A**  
You and I are rock and roll  
**Em**  
You are rock and roll  
**Em**  
Came here looking for American soul

( **Em Bm** )
