**Em**  
 Blessed are the bullies  
 For one day they will have to stand up to themselves

**Em**  
 Blessed are the liars  
 For the truth can be awkward

( **Em A** )

**Em**  
 It's not a place

**A**  
 This country is to me a sound

**Em**  
 Of drum and bass

**A** **Em**  
 You close your eyes to look around

**Em**  
 Look around, look around

**Em** **A** **Em**  
 Look around, it's a sound

 That offers grace

**A** **Em**

For every welcome that is sought

 You are rock and roll

 It's not a place

**Em** **A**  
 This is a dream the whole world owns

**Em**  
 The pilgrim's face

**Em** **A** **Em**  
 It had your heart to call her home
