E (**Ab**) **A** (**Gb**) **B**

All the obstacles in my way, now

{repeat prev chords}

Are disappearing every day, now

Dbm (**Ab**) **Gb** (**A**) **B**

I'm getting closer We're getting closer to

Dbm (**Ab**) **Gb** (**A**) **B**

home It won't be long until the summer comes

chorus (x2)

E **Ab A** **Gb B**

Are you gonna wait forever?

verse

Getting out from under my bed, now

I'm going to say the things I should have said, now

Getting closer Getting closer to what's true

Gonna find myself in you

chorus (x4)

Are you gonna wait forever?

bridge

Dbm

There's no one there behind their eyes

A

They're in the business, beautiful lies

Gb

We'll keep the promise

A

'Cause we don't know how to break it

{repeat prev chords...}

The furniture you can rearrange

Don't trade your dreams for some small change

{...except go to **B** just

before chorus}

Guard the flame, or better leave it naked

chorus

Are you gonna wait forever?

Are you gonna wait forever?

Are you gonna wait forever?

How?

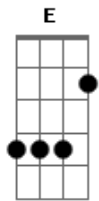

Are you gonna wait forever?

How, how long, how long?

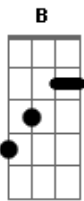

Or is it now, now, now?

Or is it now?
